Executive VP, Broadcast Sales & Marketing
Statmon Technologies
701 Signal Hill Drive
Milford, Ohio 45150

Dear Ken:

Thank you for your presentation at the October 25 joint meeting of SBE Chapter 40 and the Bay Area Broadcast Engineers Society (BABES). As you can see from the attached meeting signup sheet, we had an attendance of 13 persons.

Your presentation about the software-based Axess remote control system was quite interesting. The flexibility of the operator visual interface (OVI) was particularly impressive.

Sincerely,

Dane E. Ericksen
